### **What's Next for FJC?**

**November 7, 2015: Jazz for Justice:** *Per the UMW representative, FJC does not have an active role in the programming for the Jazz for Justice Concert. Apparently, there is a very strict format that the national organization follows. However, FJC will work with the FJC Booking Agent to provide an FJC presence at the jam session that follows the orchestrated program. If you are interested in being a part of that event, please let our booking agent know.*

**Library Events:** *FJC decided to suspend doing a December 10, 2015 workshop during that short window of time before our regularly scheduled Jam Session at Colonial Taverns.*

*Chairman met on 9/10/15 and discussed FJC participation with Lynda Baer, Central Library's Coordinator of Music on the Steps. Received notice on 9/27/2015 from Lynda Baer **that FJC will be on the 2016 Music on the Steps Summer Program. TBA.** She suggested August followed by a jazz workshop event in September.*

**Wegman's:** *FJC wants and will investigate how to participate in their Saturday music program.*

**FJC Administration Jam Session for paying Members:** *Production Director suggests that FJC plan an evening event at Colonial Tavern where FJC provides each paying member at least one free serving of snacks or appetizers. Paraphrased wording "take advantage of our already hanging fruit."*

**Chamber of Commerce Involvement:** *Production Director will manage and review the many Chamber activities and select and advertise those that seem pertinent and manageable for FJC to attend or participate in.*

**FJC Merchandise:** *Time to think about how we want to do our next order. Our last investment in merchandise cost FJC \$290.00. Treasurer and Promotions need to discuss the cost and figure out the profit that FJC made before investing in additional merchandise. Discussed that an additional accounting mechanism be devised for FJC's future use to account for sales and expenses associated with buying and selling merchandise.*
